Dear Friends,

Harvesters greatly appreciates your recent support. Your food drive will enable the food bank to provide 112 meals to people who are hungry in our community.

While the face of hunger in mid-America is somewhat hidden, over 160,000 of our neighbors require food assistance. More than half are children and seniors. We also know that almost half of the households served by Harvesters member agencies include at least one employed adult. The uncertain economy may create more food insecurity for the working poor, making your contributions even more vital during this period.

Please extend our heartfelt gratitude to everyone who helped to make your drive so successful. Lastly, we extend a special thank you to the kind people who coordinated and promoted this worthwhile effort.

Once again, thank you very much for getting involved in the fight against hunger. I've also enclosed information on available volunteer opportunities. Please contact Paula Pratt on (816) 929-3091 if you would be interested in any individual or group opportunities. We look forward to working with you again soon as we continue to offer hope to Kansas City's hungry.

Sincerely,

Kelly Roy
Community Services Coordinator

Contribution of: 146 Pounds
